

NEW POLVERE DREAM 25 YEARS

A limited edition collection to celebrate the realisation of a dream.

1992-2017. In twenty-five years, Pesavento has developed visions of beauty, harmony and design, creating new paths for contemporary jewels. Today, Pesavento celebrates the realisation of this dream with DREAM 25, a special limited edition collection of the most representative jewels of the DNA, Spring and Polvere di Sogni ranges.

DREAM 25 - special limited edition

Thousands silver threads that chase each other in high chokers and maxi bracelets of pink silver in various heights, filling the atmosphere with shine and sparkle. Each jewel is a combination of elegant strength and delicate lightness.

Modern, creative, with a futuristic feel, but also perfectly at ease in the present, the Special Limited Edition brings together contemporary emotions and dreams. To celebrate the event, each individual piece will be supplied in special packaging, and each buyer will be listed in a special "Vip List".
